

KEYS TO SUCCESS IN BAND

1. Practice ! Practice ! Practice !

This means practice whatever amount of time it takes to master your **assigned lesson material** and your **band music** and complete the **Quarter Tasks**. This is your homework for this class. Practice should be 20-30 minutes daily or a minimum of 90 minutes weekly.

2. Attend all Lessons !

I will count your best 5 lesson grades each quarter.

3. Have your Instrument, Music, Lesson Books and a Pencil at all rehearsals and lessons !

4. Be on time !

(Quietly in your seat with all equipment and music.)
